

How to access IRESS during COVID 19

- Please use Google Chrome as the preferred browser.
- In order to access IRESS off campus, you will first need to connect to the UCT network via the UCT VPN.
- Connect to the UCT VPN by using Google Chrome as the preferred browser, and go to the ICTS website <http://www.icts.uct.ac.za>

<p>Click on Hardware & Software</p>	 <p>Information and Communication Technology Services</p> <p>HOME GET CONNECTED ABOUT SERVICES HELP AND SUPPORT Log a call myUCT Outlook</p> <p>Working off campus? If you need to work from home or another location off campus, use these tools to stay productive. We also have a range of information resources and recommended courses for you. more >></p> <p>I am a ... and I want to ...</p> <p>Internet & Networking Connect to the UCT network, internet access, storage</p> <p>Security UCT ensures you keep your technology safe on and offline</p> <p>Hardware & Software Downloads, hardware & software support, device management, acquisitions</p> <p>For information on South Africa's response to COVID-19 please visit the COVID-19 Corona Virus South African Resource Portal</p>

<p>Click install</p>	 <p>The screenshot shows the 'ICTS DOWNLOADS' page from the University of Cape Town. A 'Cisco AnyConnect Secure Mobility Client Setup' window is open, displaying a 'Ready to Install' dialog. The 'Install' button is highlighted with a red rectangle. The background shows a list of downloads including 'anyconnect-v4.7 for' and 'webdeploy-k'.</p>
	 <p>The screenshot shows a Windows 10 desktop with a blue background. The Start menu is open, displaying search results for 'Cisco AnyConnect Secure Mobility Client'. The 'Best match' is the 'Cisco AnyConnect Secure Mobility Client App'. Other results include 'Cisco AnyConnect Diagnostics and Reporting Tool' and 'Cisco - See web results'.</p>
<p>Type into the box – vpn.uct.ac.za</p>	 <p>The screenshot shows the 'Cisco AnyConnect Secure Mobility Client' window. The 'VPN' tab is selected, and the 'Ready to connect' dialog is open. The address field contains 'vpn.uct.ac.za' and the 'Connect' button is visible. The background shows the Windows 10 desktop with the Start menu open.</p>
<p>Sign in with your student/staff number and your network password</p>	

- Once logged into UCT VPN, go to the UCT Libraries website - <http://www.lib.uct.ac.za/>
- Select Databases A-Z
- Select I
- Scroll down and select IRESS Expert
- You should log into IRESS immediately
- There are only 15 licences for IRESS, if you are unable to access it. Please try again later.
